AS WE WRITE THIS, THE employees in the city hall are in their starting blocks prepared for their big exodus from the city hall that has served this city for almost 15 years. Campbell's official family now has plush new quarters.

You will be reading this after the big move has been made and the first City Council meeting (Monday) has taken place in the new council chambers.

Undoubtedly, the first bugs will have already been found in the beautiful new building.

But that's to be expected.

There are always minor items that will have been overlooked in the planning of any new building.

And Campbell's magnificent city hall probably will be no exception.

-0-

ALL IN ALL, HOWEVER, we think the citizens of this city will be pleased with the edifice and should be proud of it.

After all, there is about a million bucks of the people's money invested in it.

It will take a little time for the staff to get adjusted to the new surroundings.

But by the time of the dedication, which has been set for Saturday, Sept. 25, the city operation should be going smoothly.

Probably the main thing that will bother the city hall personnel at first will be the extra elbow room they will have.

That might take some getting used to.

For years the staff has operated in the converted Congregational Church building on a rather "chummy" basis.

That, of course, has some advantages.

One didn't have to move too far from one department to another.

Almost all of them were within shouting distance of each other.

That certainly will not be the case in the new building.

Now there will be considerable travel time between departments.

-0-

WHERE THE EXTRA space probably will be the most noticeable will be in the police department.

For years the officers, clerks, desks and files have been jammed together in cramped quarters and we would hazard a guess their efficiency might have suffered at times because of that situation.

The police department in the new city hall has excellent facilities. We know the guys and gals in the department are deeply appreciative of action of the citizens in 1967 when the bond issue that made it all possible was passed.

Obviously there will be critics of the new city hall.

Some of you have probably heard some of the comments.

There will be those who claim that it is far too extravagent for Campbell. "Why does this city need a Taj Mahal?," they ask.

Others will claim that, in some instances, more thought seemed to have been given to making it attractive and pretentious instead of making it functional.

But those are comments that are to be expected.

Almost every person we know has ideas about designing.

There always seems to be a surprising number of thwarted architects around whenever a public building is completed.

And they all seem to have different ideas.

-0-

WHEN THE LANDSCAPING is in and the streets are improved in the civic center area, we think even the most cynical skeptic will have to agree that the new city hall is an outstanding and attractive addition to Campbell's skyline.

It is a structure in which all

CONSTRUCTION BOOM HITS TOWN

Building permits in Campbell set all - time record for city

This will be a record-breaking year for new building activity in Campbell based on permits issued in the first six months, plus what is pending in July according to Wally Byron, building official.

The month of June topped all previous months with $4,821,165 in permits which raised the total for the first six months to $10,761,644 which already exceeds the total for all of last year by $4.7 million.

According to the records, with the $4-million in permits that have been processed in July so far, the record for the best year (1962) in the history of the town will have been surpassed

For the first time in more than two years, permits for single-family dwelling units were issued in June. The three such permits totalled $71,000. Oliver Bruster, at 1670 Westmont, was issued a permit for $31,696; Sam Blancato, 960 Hazel Ave., received one for $19,463 and the third one was issued to Carl Ettare, 1185 Latimer, for $20,611.

Multiple dwelling units, however, still top the building parade in Campbell. In June, three permits were issued for 302 units totalling $3,463,860. For the first six months, there have been 15 permits for multiples for $6,812,836. Last year by this time there had been three permits for $1,548,814.

The biggest multiple permit went to Bogdanich & Associates for a 198-unit apartment on W. Hacienda for $2,211,442. Mutual Ownership Development obtained a permit for a 100-unit complex at 825 S. San Tomas Aquion for $1,200,152 and John Froese, at 770 West Valley Drive, took out a permit for a four-plex for $52,266.

There were six permits issued for commercial building during June for $750,163. For the first six months this year, there have been 20 commercial permits totalling $2,350,000.

Commercial building permits issued during June included; Fred Sahadi, in the PruneYard, for $167,678; Don Koll, 540 E. Hamilton, for $176,400; Adron Fulk, 1436 Whiteoaks, $14,000; and three permits for H. L. Bryan for the new San Tomas Center (Campbell at San Tomasl for $47,385, $283,500 and $61,200, respectively.

In June also there were four permits issued for industrial buildings for $750,163. There have been 20 such permits for the first six months for $905,344.

Industrial building permits were issued to: Phil Bauer, 625 McGlincey, $40,425; C & P Profiling, 1500 Dell Ave., $202,960; Matsumoto & Hamamura, 210 Curtner, $62,664; Sherrel Kirk, 60-66 Dillon Ave., $28,252.

Inlcuded in the permits for the month was the addition for the Campbell Congregational Church for hall and classrooms for $60,709.

Permits for alterations and additions for both commercial and residential totalled $68,158 and there were three swimming pool permits for $9,200. (There have been 18 pool permits for the year so far for $67,980).

Ten signs accounted for $22,480 in permits for June with a total of 39 for the first six months for $50,490. All other permits in June totalled $72,209 to make up the grand total of $4,821,165 for the month.

Fire damages city property

A city-owned building at 323 E. Grant was damaged by fire Monday night about 8:45

According to Campbell Fire Department officials, the carport and storage room, located on the north side of Grant between Central Ave., and First St., suffered only minor damage.

Nine units responded to the call, four units driven by regulars and five units driven by volunteers who were on a driving drill.

Located just across from the parking lot of the new city hall, the fire call came during the first regular city council meeting being conducted in the new city hall.

FIRST TIME IN NEW CITY HALL

City contracts total $207,910

Meeting for the first time in the new city hall, the City Council on Monday awarded contracts, involving the civic center complex totalling $207,910. All three of the contracts awarded were below estimates for the projects which included city. hall furnishings ($43,784.14); civic center landscaping ($33,369.00) and street improvements ($130,765.96).

The landscaping contract was awarded to Giske and Quatman of Hayward, low bidder of 16 that were submitted, ranging from the low of $33,369 to a high of $46,284. The job had been estimated at $40,000. The Hayward firm did the landscaping for the Saratoga campus of West Valley College.

Leo F. Piazza was the low bidder of four received for the street improvement project, which includes the improvement of Grant, First, Second and Central and a section of the North Loop.

The bids were considerably below the estimate and ranged from $130,765.96 to a high of $136,736.68.

In awarding the street contract, the Council by a 3-2 vote rejected "fancy street lights" for the city hall area, an alternate in the bids.

Plans call for 17 street lights with 11 of them in the city hall area The engineers had recommended that these 11 be more decorative than the others and be only 10-feet high. The regular standards are 24-feet.

The Council had directed that bids for both types be submitted to determine just what the outlay would be to go "fancy". The decorative jobs would cost $6000 more than the others, the bids revealed.

In opposing the more expensive lights, Councilman Dean Chamberlin pointed out that the clock tower had been eliminated in the interest of economy and the citizens were staging a drive to raise the money. Therefore, it would not be consistent, he maintained, to add another $6000 just to get more decorative lamps.

Councilman Bill Podgorsek and Mayor Ralph Doetsch agreed with Chamberlin, with Councilmen Bill Smeed and Ed Rogers opposed.

In other actions, the Council approved the donation of the 1937 pumper fire engine, unused by the city for 10 years, to Madero, Mexico, as had been suggested by Fire Chief George Maxwell.

BOARD REJECTS TWO-CENT DISTRICT TAX HIKE

Action by supervisors blocks library this year

Hopes that Campbell's new branch library would be constructed within the next year, were dashed this week when a majority of the county supervisors indicated that they opposed an additional two-cent library district tax levy to finance branch library construction.

Supervisor Ralph Mehrkens was the only supervisor who agreed with the plea of representatives of the various cities within the county library district that the two-cent district tax was necessary in order to accelerate the building program.

Campbell's new library building is to be located across the street from the new city hall which opened for business this week.

The City has acquired the property for building through bond funds that were approved by the voters in October, 1967.

Under a joint powers agreement with the county, the city will build the library building and then lease it to the county library district, which is administered by the supervisors.

Originally it was planned to construct the Campbell library as part of the city hall. However, county library officials were able to obtain a state grant and authorized a much larger building, which would also house the main headquarters of the library system.

Because of this expanded plan, the City of Campbell then proceeded to purchase seven lots between Central and Harrison for the building. Bond money, of course, was used for land acquisition.

Obviously the county had to come up with extra financing (plus the $200,000 grant) in order to carry out its part of the agreement.

And that has been the problem.

A number of cities, in addition to Campbell, that are served by the library district face a similar predicament. For that reason, the cities, after a study session, urged the two-cent hike in the present 21-cent rate in order that the building program could continue as scheduled.

Representatives of the concerned cities were on hand at the special supervisor's meeting this Monday to present their case.

But their arguments failed to shake the supervisors.

By a 4-1 vote the board approved the preliminary figures for the library district as recommended by Howard Campen, county administrator.

Campen recommended no raise in the district rate this year.

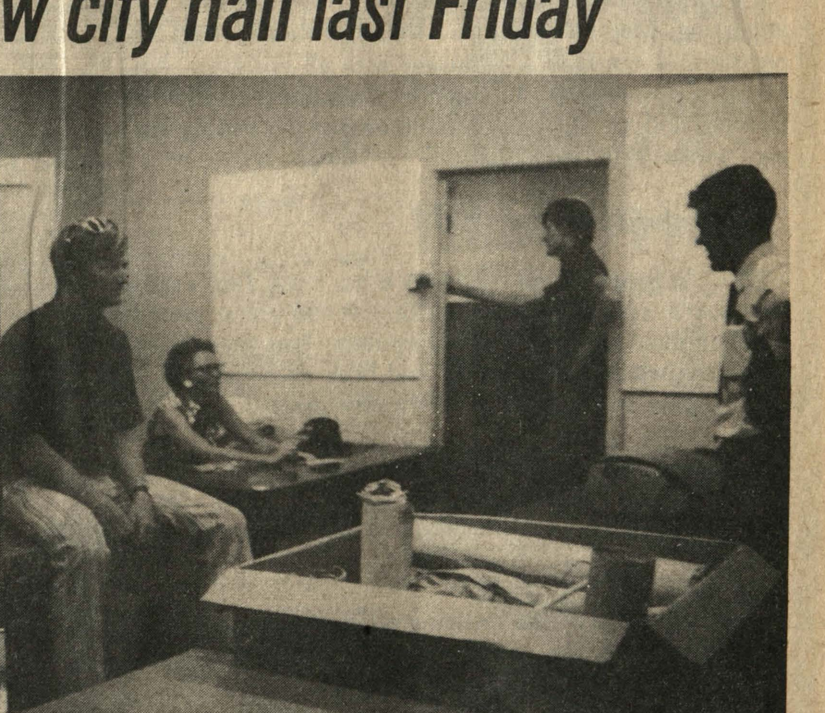
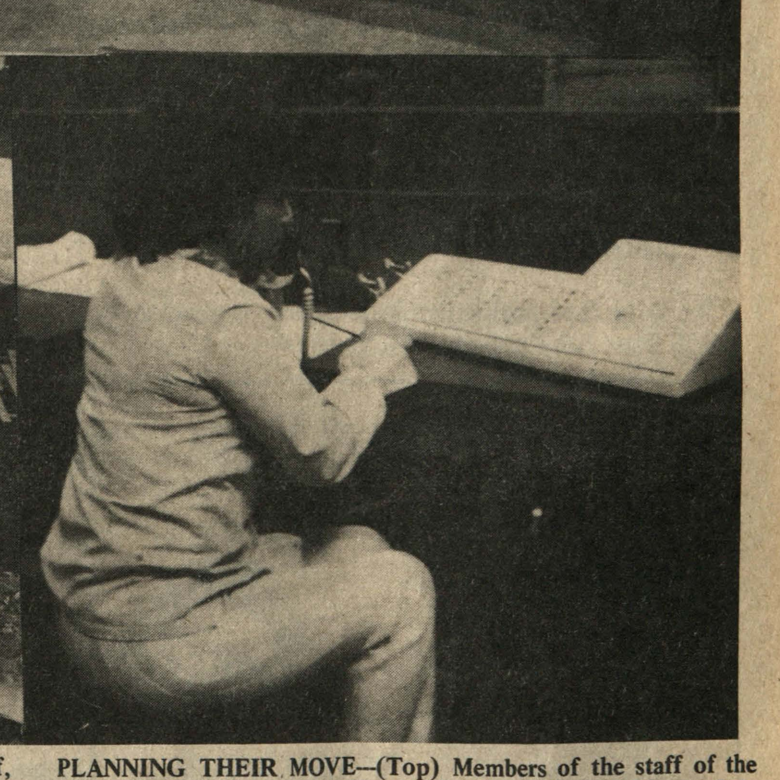
Historic moving day takes place at Campbell's new city hall last Friday

CLEARING THE TILL---(Top) City Treasurer Velma Olds (left) and City Clerk Dorothy Trevethan check out the cash register in the old city hall in preparation for the move into the new city hall last Friday. (Lower) TWO-WAY MOVE---The old city hall was emptied through both the front and back entrances by the transfer company. Two big vans (above) transported the police department equipment around the corner to the new facilities.

RELAXING---(Top) Police Captain Don Burr, acting police chief, and Rhio Wolley, relax for a moment after the police department in the old city hall was cleared for the move to the new quarters last Friday. (Lower) THE LONG WALK---John Ruppell, assistant to the city manager, "walks the plank". An improvised ramp, coupled with a flat bed truck, facilitated the historic move from the old city hall into the new building.





PLANNING THEIR MOVE---(Top) Members of the staff of the Planning Department paused last Friday to see if everything in their department is packed and ready. Left to right, Bruce Powell, Mrs. Evelyn Adamson, Bob Rigsby (in doorway) and Art Kee, planning director. MAKING CONNECTIONS---Mrs. Inez Roybal, (lower) switchboard operator at the city hall, during the move last Friday into the new city hall, established "communications".

Editorial

Two viewpoints

There is no question that the issue of Family Life Education program in the Campbell Union (elementary) School District is a controversial as well as an emotional one.

It is an area that involves so many complicated facets that any attempt to present an unbiased viewpoint would be an exercise in futility.

Yet over-simplified the issue resolves itself into two basic camps.

On side firmly and sincerely believes that it is something over which the family and home should have complete control while the opposing group emphasizes that, inasmuch as the family seems to have somehow backed away from the problem, the schools should assume the direction.

Obviously there is much to be said on both sides.

A sincere and dedicated group of people, comprising the Citizens' Advisory Committee on Family Life Education, have submitted recommendations to the board of trustees of the Campbell Union School District.

A minority report has also been submitted by persons equally as sincere and dedicated.

The two reports are diametrically opposite in their viewpoints.

The citizens' group formed in April, 1970 met on 14 different occasions to develop and discuss the FLE program for the district.

The initial task was to develop a program in FLE for the seventh and eighth grades. This course was approved in late 1970 and has been used as an elective program in the schools during the past semester.

The committee's objective, in addition, based on the original directive issued by the board in October, 1969, was to develop a program for grades four to six, and also for one for grades kindergarten through the third.

It is difficult for any one to view the objectives of FLE objectively because it MUST be conceded that the goals of the citizens' group studying the program were completely sincere ones.

For example, the statement of philosophy reflecting the rationale for such a program establishes a concept that is beyond reproach.

We quote:

"The individual's most important environment is his family. However, our rapidly changing culture places great stress on the family unit. Because knowledge and attitudes which can contribute to successful family life are not automatically known, there is a need for impairing those principles which contribute to positive family relationships.

"Since a basic goal of education is to provide background for making choices, information should be given which equips individuals to make intelligent decisions in the area of family living.

"While the family has the primary responsibility for imparting this information, the school...through its regular and continuous contact with all children, has a unique opportunity to reinforce family and religious training and to exert leadership on making family living a meaningful experience."

So much for the goals.

The "minority" report, which has been filed with the board commends the administration for giving proper consideration to all viewpoints. But the report questions whether a "need" had been established for the program in the district in the first place.

It also questions whether the public actually "demanded" such a program and suggests that it was a "vocal minority" that convinced the board of the "need".

An evaluation of the existing program that has been in effect during the past year in the school district is also contained in the minority report.

The report maintains also that the method of offering FLE as an "elective" in the district is also subject to criticism.

The minority claims that "elective" implies freedom of choice and that means alternatives should be offered. The minority group submits that the "elective" procedure carried out was unsatisfactory.

We hold that both sides in this controversial sociological issue have impressive arguments.

AS MOST OF YOU ARE aware, we have personally "covered" the City Council and Planning Commission meetings for many years.

We recall taking notes at Council meetings that were held in the Country Woman's Club building and at the fire station before the city acquired the old Congregational Church building.

We are certain that the hours we have "logged" in this particular and peculiar activity must be some sort of record.

Our closest competitor in the field would be Jose Stell, of the Merc, who has covered the Campbell beat for more than 10 years and has been a pretty regular tenant of the press table with us during that time.

So, along with other members of the tribe who sometimes happen to be on hand, the press will also have to make minor adjustments.

After all these years at the same old stand, it will be quite a change to do our "coverage" in the plush council chambers.

You might say that we will look at the action from a different angle.

-0-

OUR APPOINTMENT TO the Grand Jury will cause our record of regular attendance at the Council meetings to suffer to some extent.

Unfortunately the meeting dates of the two bodies conflict quite often.

So for the next few months, it is going to be sort of catch-as-catch-can for us. And we are liable to miss the "breaking-in-period" at the new city hall.

Our appointment to the Grand Jury, however, ends in December.

By that time, we hope, the operation in the new city hall should be purring smoothly.

Including the press table.

AN AMAZING RECORD for building within the city limits of Campbell is being set this year.

The reports of Wally Byron, building official, reveal that by the end of June this year, building permits issued had exceeded the total valuation for last year by $4.7 million.

The total value for the first six months this year of all permits was $10,761,644.

And Wally pointed out that in the first week of July another $4 million in permits had been issued.

Permits for multiple housing units head the list with $6.8 million for six months with $3.4 million issued in June.

But June had another distinction.

For the first time in two years or so, Wally's department issued a building permit for a single-family home.

In fact there were three of those gems taken out in June for a total of $71,000. The permits were for homes on Westmont, Hazel and Latimer.

During all of 1970 no permits were issued for single-family homes.

There has been quite a drought in that particular field locally.

WHAT DOES "AUTOmatic shut-off" mean as specified in this city's regulations affecting drive-in theaters?

At the present time, the city staff, at the direction of the Planning Commission, is exploring the situation in an attempt to clarify just what is meant by the wording.

Operators of the Winchester Drive-in Theater submit that "automatic" means a switch which can be pulled to shut off all the speakers.

But three former planning commissioners, Jack Healey, Frank Klein and Kel Young, as well as a number of the residents of Las Palomas mobile home park that adjoins the drive- in theater, claimed at the last commission meeting, that "automatic shut-off" means that there should be an automatic shut-off switch at each car.

They maintain that the theater now is operating in violation of the city regulations because there are no individual shut-off switches.

There seems to be some question as to whether such individual switches even exist.

We haven't even the vaguest knowledge on the subject.

So all concerned will have to struggle along without any suggestion from us.

That's a real switch!

said that it had been difficult to get an accurate appraisal for the pumper, as had been requested at the last meeting, but it was estimated that it was worth between $100 and $300.

Madero, in Tampico, Mexico, over the years has been a "sister city" in effect of the Campbell Fire Department. The city in Mexico has been the recipient of surplus fire fighting equipment, as well as other contributions, from Campbell and other fire departments. With these donations, it has built an efficent volunteer department. It can well use the pumper, Maxwell had explained.

Previously the fire chief had indicated that the Campbell Rotary Club had agreed to defray the expenses of shipping the vehicle to Mexico.

The Council also approved by resolution and environmental statement, as had been requested, if the city was to receive urban extension monies for the improvement of Hamilton Ave., from the freeway to Winchester. It was estimated that the federal grant would be approximately $270,000 for the job.

First reading was given the landscape ordinance which had been previously approved by the Planning Commission. It had been drafted with the help of a Chamber of Commerce committee.

The Council deferred action on a zone change ordinance for property at 880 E. Campbell Ave. and 891 Michael Dr.

Planning Commission had recommended P-O (Professional-Office) for the parcel facing Campbell and R-3 for the Michael frontage.

The applicant, however, wanted R-3 on all of it. The area is now under study by the Planning Commission. Some of the councilmen indicated that they favored R-3 for the Campbell Avenue frontage which faces the PruneYard.

The Council also approved the request for extensions of time by Fred Chez for his development on Pollard Road.

Drive-in theater switch issue faces commission next Monday

Another attempt to clarify the existing city regulation with respect to "automatic shut-offs" at drive-in theaters is scheduled to be made at the Planning Commission meeting next Monday, July 19.

At the last meeting of the Commission, residents of the mobile home park adjacent to Winchester Drive-in Theater and three former planning commissioners argued that the theater was not in compliance with the regulation because there were no individual automatic switches for each car.

The theater operators had asked for the clarification of the regulation, emphasizing that, as far as they knew, there were no such individual automatic switches on the market.

After considerable heated discussion on the subject, the Commission directed staff to research the matter and to report at the meeting on July 19.

An attempt will also be made to define what is meant by "automatic" and whether the ordinance is faulty by calling for an "unreasonable" condition.

Residents of the mobile home park have complained of the noise at the theater and that often speakers are left on after the cars have left.

Other than the switch problem, a relatively light agenda faces the Commission next Monday.

Only one zone change request is before the body. Value Investors is asking property at 129 E. Hamilton be changed from R-2 to P-O.

Another deferred item is the appeal of Parts Mart at 3030 Winchester of the planning director's denial of a sign for the firm. The Commission continued action on the appeal at the last meeting.

Merchants in the Campbell Shopping Center at Budd and Winchester have requested a ruling of the Commission on the status of so-called "flea markets" in commercial zonings and prezoning of a small parcel near La Fonda restaurant in the process of being annexed is on the agenda.

The Commission also plans to go into a study session on the McGlincey Land Use plan, specifically that area from Bascom to Union facing Campbell Ave.

A related matter concerns the recent zone change recommendation made by the Planning Commission for property owned by Vito Agriesti at 880-890 E. Campbell Ave. and 891-892 Michael Drive.

The Commission approved P-O (professional office) for the property on Campbell Avenue and R-3-S on the property facing Michael. The applicant had asked for R-3 on all of it.

The Council, on Monday, referred the application back to the Commission for further study.

At the July 6 meeting of the Commission, plans for a four-unit apartment for Ray Kanawyer at 780 West Valley Drive and plans for a 36-unit complex at 100 and 130 Union Ave. for Philip Sondeno were approved.

At that same meeting the Commission unanimously rejected the request of Central Development Co. for a P-D (planned development) zoning at Llewellyn and West Hamilton on which property a nine-story retail - office - apartment building was planned.

Approval was granted Hyman Weisel for P-D zoning for property at 1805 S. Bascom on which a 155-unit complex is planned.

Requests for canopies at two Shell stations were approved; one station is at 2855 Winchester and the other at 2605 Winchester.

New ordinance will set fees for institutions

A new city ordinance, proposed by the Campbell Fire Department, will provide for operational fees from institutions within the city limits. The ordinance will be presented to the City Council on Monday, July 26, for its first reading.

According to Fire Department officials, the fee schedule will be in line with those charged by other cities and the county. The fees are needed, the fire people claim, because approximately 300% more time is expended by fire prevention officers on such institutions than for other similar structures in town.

The ordinance specifies that an annual permit, which will be renewed annually by the Fire Department, must be obtained. The proposed fee schedule specifies that $25 will be charged yearly for day nurseries and rest homes with less than six occupants; $50 for rest homes and hospitals with more than six but less than 50; and $75 for rest homes and hospitals with more than 50 patients.

According to department officials, approximately 20 such institutions are now located within the city limits of Campbell.

Job's Daughters

BETHEL NO.174

Six Months Activity

On December 5, 1970, Andrea Macer was installed Honored Queen of Bethel 174, International Order of Job's Daughters at the Santa Clara Masonic Temple. Her theme was "Love Makes the World Go 'Round", and her colors, turquoise, lavender and silver.

Andrea's term started off with two regular meetings in January, one on the 9 and the 23. On February 1 a dinner was held for Charity Lodge, F&AM in Campbell with the girls of Bethel 174 serving the dinner.

On February 6 the girls left at 3:30 a.m. for a snow trip to Dodge Ridge and Bumble Bee Hill, stopping for breakfast on the way. The weather was beautiful, with lots of snow and everyone had a good time.

The meeting of February 13 was an inspection and initiation meeting and Deputy Grand Guardian, Mrs. Lois Pezzaglia was presented the Honored Queen's carrying piece, which was decorated in the colors of turquoise, lavender and silver. Refreshments followed the initiation.

On February 9 the Bethel hosted the Northern California Guardian Council Dinner, and the girls of the Bethel served the dinner, which was enjoyed by all.

A Dime-A-Dip Dinner was held Saturday, March 6, for the benefit of Klista Yazzi, the little Indian girl the Bethel has adopted and the donations from the dinner help with her expenses for the next six months.

There was an Exemplification meeting March 10 at Fraternity Lodge 399, with several girls being initiated. Refreshments followed.

March 13 was Past Honored Queen's Night and many past Honored Queens of the Bethel attended. A ballet dance by Dawn Beardsley followed the meeting.

An afternoon meeting was held March 27 with the new girls taking their proficiency. A Mother-Daughter Tea followed the meeting, which was hosted by the Mother's Club of Bethel 174. The decorations were beautifully done, with the centerpieces on the tables and the corsages presented to the mothers which matched in color.

"Go to Church Sunday" was held March 28 at the Calvin Presbyterian Church at Meridian and Fruitdale. At the end of the church service, the girls formed the cross and sang "Nearer My God To Thee". Afterwards everyone attended the Pancake Breakfast held in Los Gatos by the Los Gatos De Molay.

On March 30 Honored Queen Andrea Macer and Senior Princess Alice Mackay attended the Northern California Council Dinner and the other Honored Queens showed their carrying pieces from their installation and the Sr. Princesses were introduced.

Saturday, April 3 Sr. Princess Alice Mackay had a turkey dinner, "Alice's Restaurant", and a bake sale was also held as Honored Queen Andrea's project for the Education Fund.

On April 10 the Majority Ceremony was held and five girls took their majority. They were Donna Bliehly, Debbie Harris, Kathy Couch, Jan Chamberlain and Debbi Molnar Hogue. Entertainment followed with Carolyn Antolin doing one of her dance routines.

One of the highlights of the term is the "Mystery Trip", and this was held April 17 with all the girls going to see "Song of Norway" at Century 21 and then to the Red Barn for dinner, with half of the proceeds for that particular day going to the Roger Garcia Fund.

April 26 was Youth Night at the Order of Eastern Star, of which Mrs. Lois Pezzaglia, Deputy Grand Guardian, is Worthy Matron and the girls of Bethel 174 participated, putting on the Majority Ceremony.

April 24 was the official visit of the Grand Guardian and a meeting was held with Bethels 298 and 304 at Awalt High School in Mountain View. A lovely luncheon preceded the meeting and many of the girls met and talked with the Grand Guardian.

Jr. Princess Jenni Johnson had an indoor picnic on Saturday, May 1, and her decorations included a gaily decorated May Pole. A delicious buffet dinner was served and fun and games were enjoyed by all.

SOC-JOB'S DAUGHTERS (C

On May 2 it was the Grand Guardian's Official visit and a reception was held in the Masonic Temple in Oakland. Many of the girls from this Bethel attended and the Honored Queens and Sr. Princesses were introduced. Refreshments followed.

At the regular meeting May 8, Tori Bruner was elected Marshal and afterwards the girls went to Farrell's.

On May 15 many girls helped to make sandwiches for lunches that were served to the riders of an endurance ride, and which was a special money making project for the Bethel.

The girls initiated this term were Lori Lynn Myers, Donna Probert, Jeanie Webb, Julie Kingshoy, Ina Lea Magniez, Krista Kmetz and Donna Moore. Vicki Olson affiliated with Bethel 174.

Miss Debbie Harris, past Honored Queen of Bethel 174, was elected Grand Bethel girl and attended the Convention in Long Beach on June 24 through the 27, and was installed Guide on Saturday evening, June 26.

The Mother's Club of Bethel 174 held a Rummage Sale May 19 and 20 in Campbell, with the girls from the Bethel helping to make it a huge success.

The Farewell Meeting was held May 22 and slides of Honored Queen Andrea's term were shown and enjoyed. Refreshments followed.

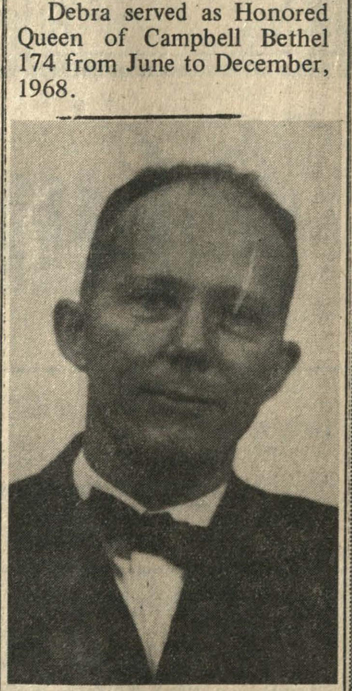
BETHEL 174

Miss Debra Harris, a past Honored Queen of Campbell Bethel 174, International Order of Job's Daughters, was installed recently as a Grand Bethel officer for California.

She was installed as guide, fourth highest position in the Grand Bethel, at the closing session of the 25th annual state Job's Daughters convention Saturday night, June 26, at Long Beach.

She is the daughter of Mr. and Mrs. Harold Harris, 2388 Newhall St., San Jose.

Debra served as Honored Queen of Campbell Bethel 174 from June to December, 1968.



FACULTY HEAD---Nero Pruitt, history instructor at West Valley College, has been elected president of the college's Faculty Association, representative body of the teaching staff. The organization represents the faculty in all professional and financial matters, and the president and vice-president of the organization sit on the advisory council to the superintendent-president of the college. The organization is comprised of nine members elected at large by the faculty.

DOGS TO COMPETE---Pixie, a miniature dachshund, doesn't have to worry about getting sunburned, with Seymour the St. Bernard providing shade for her. Pixie and Seymour will be amongst the entries who'll be competing in an obedience trail at the county fairgrounds on July 25.

300 dogs will vie for trophies

A test of obedience is in store for purebred dogs entered in Santa Clara Dog Training Club's, 13th annual all-breed obedience trial in the family park of the county fairgrounds on Sunday, July 25.

Floyd Conner, obedience trial secretary, announced that over 300 entries have been received from all over northern California and that over $1000 worth of trophies will be presented to winning dogs.

Judges who will participate in the trial include Michael Favia of Saratoga and Charles Cobb of Los Altos. Others will be Frank Grover, Monterey; Richard Bone, Canoga Park; James Frey, San Francisco; Margaret Downing, Concord and Mary Bradley of Phoenix, Arizona.

The trial is licensed by the American Kennel Club and there is no charge for spectators. Trial hours are 9 a.m. to 5 p.m.

Goldilocks puppet show features youngster's work

The San Jose Marionette Theater, sponsored by the Cabrini Community Theater, will present a marionette-people musical, "Goldilocks and the Three Bears" on Saturday and Sunday, July 17 and 18 at 3 p.m. in the St. Frances Cabrini Hall on Camden Ave. Donation of 50¢ is requested.

This production of "Goldilocks" is the finale of a summer workshop spanning five weeks run in co-operation with the Summer '71 program of the Cabrini Theater. The marionette and puppet program consisted of youngsters, ages five to 12 who made their own puppets and stages, as well as rehearsed the songs and dances from the musical.

Running the workshop were Ann Sudyka and John P. Healy, Jr., also co-authors of "Goldilocks and the Three Bears".

Included in the "live" cast are Diana Drewes as Goldilocks, Peggy Sudyka and Joseph Trapani as the wolves, and a chorus of over 20 "trees", "bushes", and "flowers".

The production is staged by Resident Director John P. Healy, Jr. The life-size marionettes are made by Ann Sudyka, as are many of the costumes and sets.

In addition to this Marionette Workshop, Summer '71 includes the workshop of the San Jose Children's Musical Theater, producing the 'round the world favorite, the "Wizard of Oz", scheduled for August 7, 8, 14, 15, 21 and 22 at the Cabrini Hall. Donations will be $1.50 for adults and $1 for children under 14.

The show will be accompanied by the SJCMT Show Orchestra, which is looking for French horn, trumpet, and trombone instrumentalists of all ages and professions.

For further information about "Goldilocks", "Wizard of Oz", or the orchestra, call 371-0232, 377-9825, or 377-6818.

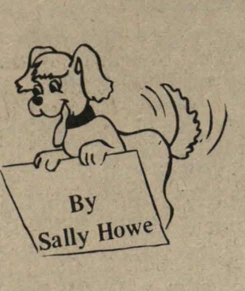
Bringing up fido



Some of Fido's friends are in serious trouble.

It's not their fault, of course, but apparently there is no way to persuade some people how important and necessary it is to keep dogs at home and under control.

Lately some local cities have passed stricter laws about dog ownership, which unfortunately won't solve any problems, and may very well create some.

Some well-meaning but obviously naive persons think that by restricting the NUMBER of dogs allowed, that there will be less loose and problem dogs with which to contend.

These naive lawmakers don't recognize that the owner of the dog who runs loose could care less about the dog and if he is impounded, the owner will shrug his shoulders and get another puppy. Most times the puppy is a "free" one, whose mother also ran the street, (which is one of the reasons for the litter of puppies!).

There is no doubt in my mind that we need stricter leash laws.

Not too long ago, a near-by resident told me of his fear on daily walks that he would be attacked by neighborhood dogs. He was most relieved to learn that any loose dog could be reported to the county.

He had been told that all a dog has to have is a license!

NOT SO! A dog MUST be kept under control at all times when out of his yard - and running loose is NOT "under control".

No wonder postal employees and meter readers and repairmen get upset!

However, on one point I feel strongly. I do believe your home is your castle and I can't get upset if my dog barks at a stranger FROM HIS OWN BACKYARD or IN THE HOUSE. That's his privilege - and mine.

It's just a darned shame that he has to be categorized with his neighbor who never is kept home!

Witnesses attend S.F. Convention

It's convention time again for the South Campbell congregation of Jehovah's Witnesses. Salvatore Payone, presiding minister of the local group, announced that the Watchtower Bible & Tract Society of New York has scheduled a five-day district assembly to be held in San Francisco, July 14-18. According to Pavone, plans are already under way for a sizeable delegation to attend from this community.

According to Pavone, San Francisco's Kezar Stadium will be transformed into a giant place of worship for the event. Over 30,000 delegates are expected from Northern California and Western Nevada.

Sherri Priddy becomes Mrs. Steele

Mrs. Michael Patrick Steele will have no trouble remembering her wedding date, for as Sherri Lynn Priddy she was married on her birthday.

The wedding was conducted by Rev. Anthony Wayne Myers at the Congregational Church of Campbell. Sherri was given in marriage by her father, Bill Priddy, and attended by her cousin, Mrs. Rita Bianchi.

For her wedding Sherri designed and sewed her floor length gown of white brocaded satin with empire waistline. The dress had full sleeves and the collar was trimmed with embroidered lace. Her veil was anchored by a pearl crown with three tiers of veiling.

The attendant's gowns were also made by the bride and were of pink dotted swiss. The bride carried a nosegay of pink and white carnations with baby's breath and her attendants carried pink carnation nosegays.

Bridesmaids were Carol Ann Joyce, Cindy Cecconi, and Bonnie Steele.

The groom, Michael Patrick Steele, son of Mrs. Joseph Cecconi of San Jose and David Steele of Stockton, attended schools in Daly City and served in the U.S. Navy. Best man for the wedding was Loren Priddy, brother of the bride, and Mike Cecconi, Monte Priddy and Raymond Bianchi ushered guests to their seats.

Mrs. Bill Priddy made a yellow full skirted dress with bouffant sleeves for her daughter's wedding, trimmed with yellow and green flowers. Her corsage was of white carnations.

Mrs. Cecconi wore a gray sheath dress accented with a corsage of white carnations.

Following the ceremony the newlyweds greeted guests at Bonnie View Park in Los Gatos. The bride's mother made the four tiered wedding cake for the reception.

For her going away outfit the new Mrs. Steele made a white dress with yellow flower print and wore a white hat with yellow ribbon band.

Sherri, who attended Campbell Schools, also attended West Valley College vocational nursing classes and worked at Stanford Hospital.

The newlyweds have made their home in Sunnyvale.

Eastfield kids need TV, tools

Summer would be a bit more pleasant at Eastfield Children's Center if the youngsters had a workable television set and an abundance of tools and materials with which to work in crafts and mechanics.

Keith Kellogg of the staff recently made an appeal for the donation of a television set (black and white would be fine) and an assortment of articles with which the children could work. All kinds of materials are needed---ranging from arts and crafts supplies to workshop tools, movie camera, darkroom equipment, record player, records, motors, assorted wheels, sports equipment and dress-up clothes.

Donations may be dropped by Eastfield, 251 Llewellyn (off Hamilton, a block from San Tomas Expressway) or prospective donors may call Kellogg at 379-3790.

Eastfield Children's Center is a United Fund Agency for emotionally handicapped youngsters. Because the youngsters' attention spans are limited, they are more active than ordinary children and need more to occupy their time.

CURVY WATER

The repeated curves in rivers are called "meanders."

BOTTLE O' FUN---Mrs. Vivian Halstead, Bank of America teller, spends much free time decorating bottles of all shapes and sizes. Here, one bottle resembles a lighted candle, while others are more ornate. Mrs. Halstead came upon her hobby accidentally, but has found that many others want to know her "secret" and so she wrote the accompanying article.

Bottles become beautiful

by Vivian Halstead

Stop! Don't throw that old jewelry away!

It can be made into something beautiful and rewarding.

I first became aware of what could be done with broken and cast-off jewelry when my mother-in-law, Mrs. W. Halstead gave me, as a gift, an old decanter upon which she had glued pieces of jewelry and sprayed gold.

It was truly beautiful.

Then a thought struck me--why not leave the jewelry in its natural texture and color?

So then my project began.

With metal clippers I cut off backs of pins and earrings so they would adhere to a flat surface. Then I placed pearls, pins, earrings, polished stones and even sea shells in a design before gluing them.

I have found that clear glue works best. It is strong and fast drying. After the bottle is completed with jewelry, it's time to paint.

With a fine artist's brush, I hand-paint inbetween the glued-on jewelry with gold enamel paint.

It seems the gold gives the best effect in that it tones down the jewelry and when the bottle is completely painted, it gives an antique look to the whole project.

Don't be surprised if after a few of your friends see your handiwork, they invite you to make them for door prizes or bazaars or wedding gifts!

Seniors have busy calendar

West Valley Progressive Seniors, 41 W. Rincon Ave., has a variety of activities going these days.

For instance, the center's sewing class is making articles for the Cancer Society. Classes are held on the first and third Mondays of each month at 10:30 a.m.

The seniors are planning two picnics this summer at Vasona Park. The first one is scheduled for July 28.

Art students at the center are currently exhibiting their work at Manning's Cafeteria in Valley Fair.

Recently the center was given money by Campbell Women's Service Club to buy a refrigerator.

Also, women at the center are doing baby-sitting for local residents.

Persons interested in joining the seniors should call 378-5323.

Caritas have official visit

The Temple of Heart's Delight, Royal Order of Caritas will be hosts, Saturday, July 17, at IOOF Hall, Campbell Ave., to Mrs. Dean Adams, grand exalted matron, and Rocky Hilyard, grand exalted patron, state leaders of the lodge. A 6:30 dinner will be served, directed by Mrs. John Willcox. The 8 o'clock business meeting with Mrs. Eleanor Brown, exalted matron, and Raymond Livingston, exalted patron, presiding, will follow.

Campbell Artist's Guild

JULY MEETING

The Campbell Artist Guild will hold its July meeting at the Colonial Savings Hospitality Room, 1510 S. Winchester Blvd., on Tuesday, July 27 at 7:30 p.m.

Cathie De Mattei, newly appointed program chairman, has announced that Odessa Foutz of San Jose will be the guest speaker, and will give a demonstration of painting under black light.

Odessa has studied under local teachers and has demonstrated this technique on Channel 11 this past year. She has done several large murals for banks and lounges.

The public and interested artists are invited to this meeting without charge.

Members will also be bringing pictures for "Artist of Month" awards.

JUNE FAVORITE

The members of Campbell Artist's Guild voted for "SOLITUDE", an oil painting by member Paula Beam as their favorite for the month of June.

Paula Beam was born in Oregon and raised in Stockton, where she was an art major. While always interested in many forms of art and crafts she took up oils in 1968 and has studied under many well-known local teachers.

Mrs. Beam has exhibited extensively throughout the Bay area and won numerous awards in many juried shows. She has several permanent exhibits from San Francisco to San Jose.

LOCAL EXHIBITS

At the First National Bank of San Jose, Bascom & San Carlos Streets, there is a Mother and Daughter exhibit by Gene Glissman and her mother, Mrs. Emily Tromans.

Emily has been painting two years and received her training from Clifford Holmes, Bonnie Shoffner and Bill Skuglio. She does oils and has florals, sea and landscapes on display.

Gene, who is self-taught, paints in acrylics. She was raised in Europe, but has lived in San Jose for a number of years. Her exhibits includes florals, seascapes, landscapes and some childrens paintings. She has been an active member of the Campbell Artist's Guild and at present is exhibits chairman.

* * *

Claudia Tillman of San Jose is currently having a one woman show of oil paintings at the Valley Fair Branch of Bank of America. She has studied with Olive Curtis and is a graduate of the University of California, Berkeley, with Bachelor of Arts in Interior Decoration. She was a recent winner at the Valley Fair show. The public is invited to see this exhibit during banking hours during the month of July.

* * *

Club winners for the Valley Fair Art show were: first, "Desert Train" by Glen M. Propst; second, "John" by Regina Greenleaf; third, "Tiger Lilly" by Claudia Tillman and honorable mention to Wreatha Tollefson. The pre-judging was done by Jane Hofstetter.

FAIR ART---Sizing up some possible entries in the Santa Clara County Fair Arts and Crafts Show are three of the Fair's official hostesses, Connie De Campo, Debbie Borland and Nancy Maloney. Entries in oil painting, watercolors, jewelry, sculpture, graphics and ceramics will be accepted on July 17 and 18 at the Fairgrounds in San Jose. A jury of selection will choose entries to be exhibited and judged at the County Fair, August 13-22. Entry forms and additional information is available at the Fairgrounds. The competition is open to any County resident, professional or amateur.

NOTICE TO BIDDERS

Section 1

Notice is hereby given that sealed bids will be received by the Clerk of the Board of Supervisors of the County of Santa Clara, State of California, in the Office of the Clerk, County Administration Building, Room 524, 70 West Hedding Street, San Jose, California 95110, up to 2:00 o'clock p.m., July 22, 1971 for equipment rental for various County projects, in the County of Santa Clara, State of California, in accordance with plans and specifications on file for the work in the Office of the Clerk of the Board of Supervisors.

The bids will be opened by the Clerk of the Board of Supervisors at the time and place above stated, and a report of the names of all bidders and the amount of each bid will be made by the Clerk to the Board of Supervisors at the next regular or special meeting of the Board following the date of opening of the bids.

"Workmen employed in the work must be paid at the rates at least equal to the prevailing wage rates last adopted by the Board of Supervisors of the County of Santa Clara, which rates are filed in the office of the Clerk of the Board of Supervisors, incorporated herein by reference, and copies of which are available to any interested parties on request."

The County of Santa Clara is an equal opportunity employer and all contractors on County projects are urged to follow a policy of affirmative action in regard to the requirements of Executive Order 11246, as well as the regulations of the Fair Employment Practice Commission of the State of California.

Each bid must be accompanied by cash, a certified or cashier's check or a bidder's bond in the sum of not less than 10% of the total aggregate of the bid, and the checks or bond shall be made payable to the order of the County of Santa Clara.

All bids must be addressed to the Chairman of the Board of Supervisors of the County of Santa Clara, and shall bear the title or name of the work to be constructed.

The Board of Supervisors reserves the right to reject any and all bids or to waive any errors or discrepancies.

Time limit for the completion of the work is 1 calendar year. Liquidated damages shall be assessed in the amount of $100 for each calendar day the work remains incomplete beyond the time fixed above for completion.

Plans and specifications may be secured from the Department of Public Works, 20 West Hedding Street, San Jose, California 95110, upon the payment of $5.00 per set as a deposit. If these documents are returned in good condition within ten (10) days after the date set for the opening of the bids, the full amount of the deposit will be returned. Credit will be given for specifications returned with the bid submitted to the Clerk of the Board of Supervisors.

By order of the Board of Supervisors of the County of Santa Clara, State of California, on June 29, 1971.

GAMES OF CHANCE WITH STRANGERS, by Mallissa Redfield (Fiction)

Edward Randall, a New Yorker, is a loving and seemingly lucky man. At not quite forty, he has found work he feels committed to and his fifteen year marriage seems stronger, closer, than ever before. His stepsister asks for his help and he gladly responds to a fresh chance to act with wholehearted tenderness and concern. He meets Kate and begins a love affair but conscience insists that loving entails knowing; he and Kate remain little more than strangers; and the cost of this ignorance comes to a desperate reckoning.

READY, SET---Robert Fleming, winner in Campbell Kiwanis supermarket sweepstakes, gets ready to have a five-minute shopping spree at Fry's market.

Bob Fleming wins Kiwanis Morgan benefit Supermarket Sweepstakes

Campbell Kiwanis Club netted approximately $1500 in their recent supermarket sweepstakes contest which they will turn over to the John D. Morgan fund.

Winner of the contest was Robert Fleming, a co-partner in Formatop Inc. on McGlincey Lane, who has been in business in Campbell for the past nine years and is a member of the Campbell Chamber of Commerce.

Fleming was winner of a contest which the Kiwanis conducted over a period of several weeks and the prize was to be a five-minute period in a local grocery store, wherein the prize-winner could pick up as many groceries as possible.

Instead, Fleming elected to only select $10 worth of merchandise so that the Morgan fund would benefit as much as possible.

OKAY, LET'S HAVE SOME STEAKS --- Robert Fleming, winner of the Kiwanis supermarket sweepstakes, selects a meat order during his five-minute grocery win.

THAT'S IT---Only $10 in groceries were selected by Robert Fleming when he won a five-minute grocery sweepstakes offered by Campbell Kiwanis Club. The sweepstakes was a benefit for the John D. Morgan Fund and Fleming only selected a few groceries so that the fund might be as large as possible.

New Books BOOKS at Campbell Library

THE GOODBY PEOPLE, by Gavin Lambert (Fiction)

Lambert's new book is about a group of ill-assorted people who are "always changing their addresses and phone numbers as well as their lives", casually connected, some very rich (in mysterious ways), some very poor. His people are mostly attractive, even beautiful, for they live on the fringes of the movie industry and the California beaches, where physical beauty is commonplace. The characters of Gavin Lambert's novel are linked by their acquaintanceship with an extraordinarily beautiful girl who is pursuing a course of placid self-destruction from Happy Jack, Arizona, to marriage with a notoriously secretive and accentric billionaire. The atmosphere is reminiscent of the death of Sharon Tate.

HONORED BY HOSPITAL---Campbell Community Hospital recently honored members of their auxiliary for service to the hospital. Left to right are (front) Mrs. Anthony Jurras, Mrs. Thomas Smith and Mrs. Mahlon Cain. Top are Mrs. James Gillespie, Mrs. James Malone, Mrs. Carl Mattison, Mrs. C. E. DeTracey, and Mrs. Otto Federer.

Campbell Hospital auxiliary given awards for service

Members of Campbell Community Hospital's Auxiliary were guests of the hospital at a recent awards luncheon.

James P. Roth, executive director of the hospital, presented pins and bars signifying additional years to the following:

For seven years: Mrs. Anthony Jurras, Mrs. Eric Schramm and Mrs. Thomas Smith.

For six years: Mrs. Mahlon Cain, Mrs. James Gillespie, Mrs. Sidney Hammer and Mrs. Carl Mattison.

For five years: Mrs. Robert Burton, Mrs. C. E. DeTracey, Mrs. Otto Federer and Mrs. James Malone.

For four years: Mrs. Harry Gerin and Mrs. Edward Loeswick, Jr.

For three years: Mrs. James Graves.

For two years: Mrs. M. C. Aydelotte and Mrs. A. E. Hageleit.

For one year: Mrs. J. Brodeur, Mrs. Gary L. Cory, Mrs. William Goehrend, Mrs. Joseph Kovar, Mrs. L. J. Schee, and Mrs. R. G. Souther.

REAPPOINTED --- Dale H. Scott, chairman of the Planning Commission, on Monday night was reappointed by the City Council for a full four-year term on that body. Scott, who was filling an unexpired term, will serve until August 1, 1975.

DARTING AROUND

with Tom Carroll

ALL-STAR MATCH

More than one hundred spectators were on hand the Fourth of July weekend to watch the Southern California Darts Assn. All-Star team captained by Roy Jack do battle with Tom Lawrence's Nor-Cal All-Stars. The field of battle was the House of Parties in Daly City using the NCDA's new portable dart boards built by Tom Lawrence.

All-Star competition consists of ten singles games for one point each, five doubles games at two out of three wins for two points each and a 1001 team game at two out of three wins for five points.

The first match of the evening was between Nor-Cal's Gary Curtaz and Sou-Cal's Larry Kerbs. Gary got away on his first dart, but Larry had double troubles and didn't get away until his tenth dart. Gary shot the most consistent and probably the best dart game of the evening. After getting away with a 60, he followed with 60, 60, 57, leaving 64 for the out. This he hit for a 15 dart game.

Nor-Cal's Roy Haslam popped a ton (100) setting himself up for a shot at a 68 out against Sou-Cal's Bernie Warren. Roy's first two darts gave him 28 scored, leaving double top (20) for his third dart. This dart hit the wire and cost Roy the game.

Sou-Cal's Conrad Daniels took the next game from Des Maples moving Sou-Cal ahead. Jim Macredes evened things up by defeating Joe Young who had double troubles.

Sou-Cal moved into the lead again when Jack Springer beat Ben Macredes. The lead was further lengthened when Graham Faulkner popped a 137 in a 13 dart game against Jim Price.

Ray Rahmer retaliated for Nor-Cal in spite of Larry Morrison's popping a ton. Sou-Cal's Jody Simkins wasn't going to let this stand as he popped a 134 in defeating Don Gepson.

It was now Pat O'Donnell's turn to win one for Nor-Cal, as he defeated Craig Dusenberry. Rich Curtaz popped a ton in a 15 dart game over Wally Goldsmith to even things up for Nor-Cal and the score was 5–5 at the intermission.

SECOND HALF

In the doubles side of the competition the Curtaz brothers went down in defeat two straight to Sou-Cal's Kerbs and Warren. Bernie Warren shot an 89 away while Gary Curtaz had a 70 away.

Sou-Cal's Conrad Daniels popped a 97 away and a 92 away when he and partner Jack Springer took on Roy Haslam and Des Maples. Roy popped a 97 and Des, a ton in taking this match two straight for Nor-Cal and tying the score once again.

The doubles teams from the south; Larry Morrison and Gene Timoschuk; Jody Simkins and Harry Daniels; Craig Dusenberry and Wally Goldsmith each won two straight against Nor-Cal's Ray Rahmer and Jim Price; Pat O'Donnell and Don Gepson; Ben and Jim Macredes. The only high score in this trio of games was a ton by Don Gepson.

Sou-Cal picked up eight points in the doubles matches for a total of 13, the magic number that gave them the trophy.

TEAM GAMES

Even tho Sou-Cal had won the match the team games were played out. Pat O'Donnell popped a 58 out to take the first team game for Nor-Cal. Tons abounded in the second game. Des Maples and Ben Macredes hit for Nor-Cal with Larry Morrison and Gene Timoschuk hitting for Sou-Cal, with Sou-Cal taking this game.

The rubber game saw some fantastic shooting by Sou-Cal. Larry Kerbs popped a 148 away with Graham Faulkner and Craig Dusenberry each hitting a ton. Larry backed himself up by hitting a 121 with Larry Morrison hitting the double for a team total of 41 darts.

How is that for a statistic! 469 points scored by three men in four trips to the board! Captain Blob was happy. The Prez was dejected. Final score Sou-Cal 18, Nor-Cal 7.

PACK 331

Cub Scout Pack 331, Webelos Den, sponsored by the Hamilton School PTA, held the first in a planned series of overnight father-son camping trips on Saturday and Sunday, June 26 and 27.

The selected site was Mt. Madonna County Park on Highway 152 west of Gilroy. Fathers and sons functioned as "teams" for the entire campout; cooking, tenting and participating in all activities together.

Feature events of the two day trip included a five mile hike through mountain top country, a marshmallow toast and an entertainment session around the campfire.

Attending the campout were Jim and Chris Rector; Terry and Gregory Thrush, Bruce and Allen Gammon, Jim and Andy Reynolds, Jim and Randy Lewis and Mike Carter and John Shea, cubmaster. Jim Rector is pack committee chairman.

The overnight was held just two weeks after Pack 331's annual picnic at Starbird Park and also the Pioneer district-sponsored "Cub Days" training event at Campbell Park.

A few openings exist in the pack for boys aged eight through ten or who will be entering third grade in the fall. For information, call John Shea, cubmaster, 378-7146.

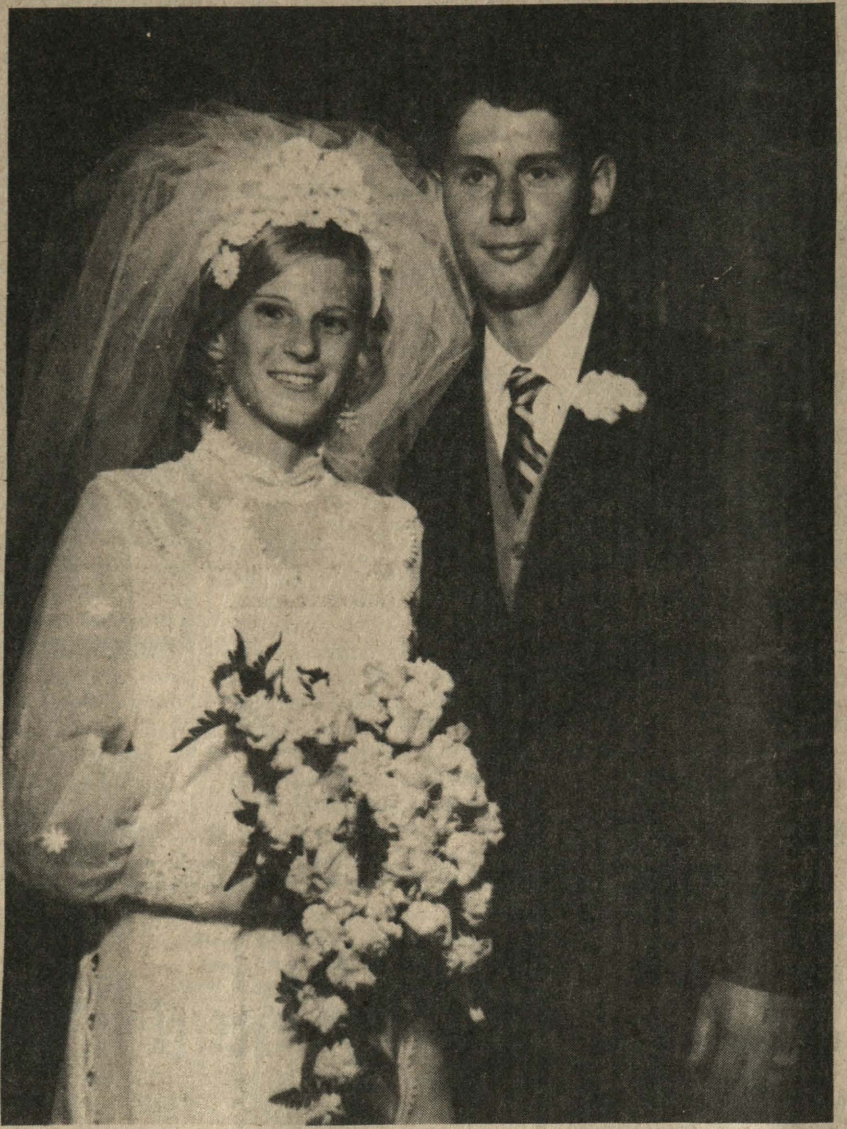
Oates - Robins have Moffett wedding



MR. AND MRS. JAMES OATES

Moffett Field Chapel was the setting for the double ring ceremony which united Joyce Ann Robins and James Robert Oates. Joyce, who is a graduate of Campbell High School and San Jose State College, chose a white organza gown with sheer puffy sleeves and a long train for her wedding gown.

Sallie Jackson served her friend as maid of honor and she and bridesmaids Karlene Jansen and Sandra Straw wore dresses of lavender organza with long puffed sleeves and wore large brimmed hats.

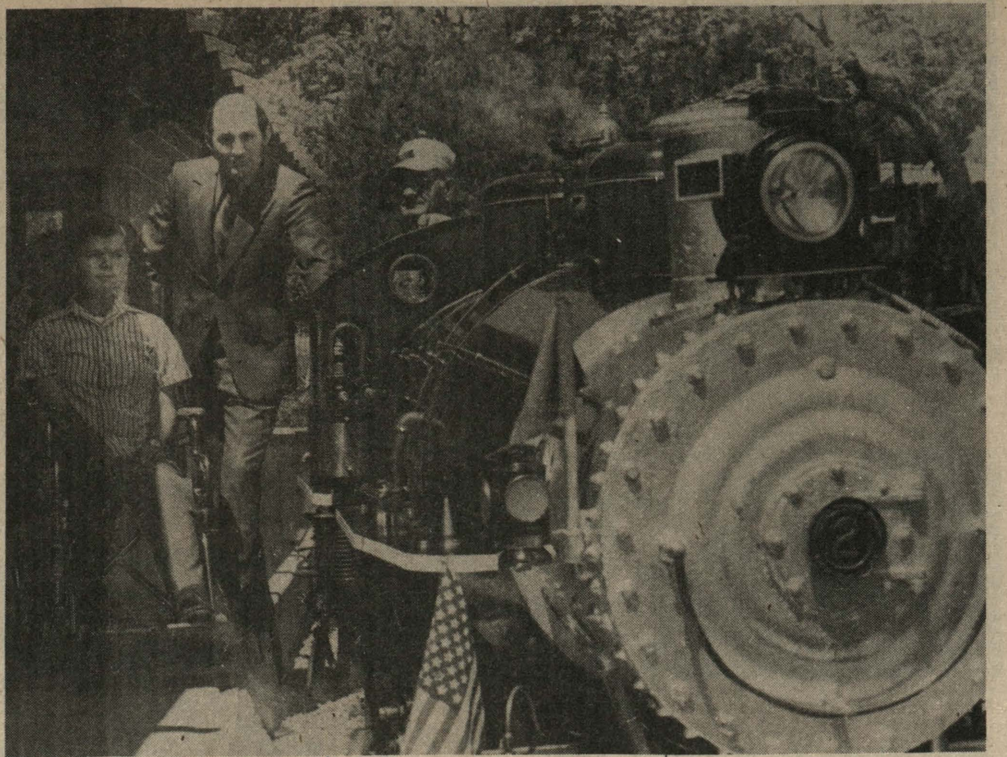
The bride's headpiece matched her dress and was decorated with Venecian lace.

LCDR. Thomas D. Robins, 729 Buddlawn Way, gave his daughter's hand in marriage, while Mrs. Robins watched the ceremony in an aqua dress of linen shantung with puffy sleeves.

The groom's mother wore a light blue polyester dress with ruffled v-neckline for the wedding.

The bridegroom, son of Mr. and Mrs. Robert P. Oates of San Jose, asked his brother Ed Oates to serve as best man while Tom Evans and Bill Cook served as ushers.

James is a U.S. Navy hospitalman now, attending corpsman school at the U.S. Naval Hospital in San Diego, where the justweds will make their home.



RIDING THE BILLY JONES---Wilbur Jones, Campbell engineer, will be at the throttle of the Billy Jones Wildcat Railroad on Friday, July 16, when the Santa Clara County Chapter of the Muscular Dystrophy Association will benefit from the day's proceeds of the miniaturized rail line in Los Gatos' Oak Meadow Park Blossom Hill Road and University Avenue. Shown with engineer Jones are John Gerhardt, Campbell attorney, and Scott Trull of Saratoga. Gerhardt is a member of the local MDA board of directors. Young Trull suffers from muscular dystrophy, an incurable muscular disease. Railroad rides will be available from 11:00 a.m. to 6:30 p.m.

VIOLETS

The African Violet Society of the South Bay will meet in the Palo-Alto Salinas Savings Community Room, at 10250 Saratoga-Sunnyvale Rd. in Cupertino at 1 p.m. on Tuesday, July 20. Guests are welcome.

FIRE CALLS ANS'D

In 1968, more than 1,100 new volunteer fire departments were organized in this country.

Train ride helps dystrophy fund

"All Aboard for Dystrophy" is the theme of a day on the Billy Jones Wildcat Railroad in Los Gatos' Oak Meadow Park. The event on Friday, July 16, will benefit the County chapter of the Muscular Dystrophy Association according to Edward Burfine local president.

Train rides will be held from 11 a.m. to 6:30 p.m. Tickets are 25 cents for children, 50 cents for adults with all proceeds Friday benefitting dystrophic patients.

The Billy Jones Wildcat Railroad offers a miniaturized full steam engine and train of passenger cars that makes a two-thirds of a mile run of Oak Meadow Park, Blossom Hill Road at University Ave., in about three minutes. It was completed in 1947 and moved to its present site in 1969.

Those wishing to ride the Billy Jones on Friday may purchase tickets at the park. People desiring to participate in other major Muscular Dystrophy Association fund raising events, such as the telethon and mothers' march, may volunteer for service with representatives on hand at Oak Meadow Friday.

Easter Seal camp has openings

Camp Easter Seal, the residential summer camp of the Easter Seal Society for Crippled Children and Adults of Santa Clara County, still has openings in several age groups, according to Bob Seifert, camp director.

The camp, which is in Stevens Creek Park, is open to the handicapped.

Persons who wish to apply should call the Easter Seal Society at 243-7861 and ask for application forms.

Camp Easter Seal offers all the traditional camp programs as well as outpost camping, Seifert said. The camp is well-staffed, with one camp counselor for each three campers.

CITY'S OWN

Less than a mile of San Francisco's 9-mile ocean and bay frontage is in private ownership.

Art exhibit at San Tomas Village features student work

The first annual student-teacher Art Exhibit of Dean's Art Studio will be held at San Tomas Village Shopping Center on July 17-18, where students can gain experience exhibiting and selling their work, some for the first time.

These students range from beginners to professional artists, so the show promises a wide variety of work displayed to the interested visitor. Well-known local artist Deane Reid has been teaching her familiar palette knife technique to a large number of students and expects over 40 artists represented. Recent oil paintings by Deane will also be shown.

Deane's Art Studio, located in San Tomas Village Shopping Center, has previously had only one teacher, Deane Reid, who announces that plans for fall include the addition of several new instructors to share the studio and teach a variety of arts and crafts, creating one of the first "art schools" in the Santa Clara valley.

This exhibit introduces Shirley Lennox, who will be teaching acrylic painting in all its varieties and courses in Art History with slides and commentary, at Dean's Art Studio starting in September.

Shirley will be showing her own paintings in the acrylic medium and also those of her students from the Palo Alto area, where she formerly owned and operated "Discovery House", with teaching studio and gallery.

Deane says of her teaching, "I receive great satisfaction when I am able to open new doors for students to all the possibilities that art offers them in mental stimulation and creative learning. It never fails to thrill me. I find the Campbell residents to show an unusual degree of interest in art and painting". The public is invited to view this exhibit.

PREPARING FOR EXHIBIT--Deane Reid and Shirley Lennox prepare for a student-teacher art exhibit at San Tomas Village.

Fair has talent contest

Deadline for entry in the amateur talent preliminaries at the Santa Clara County Fairgrounds is July 16.

All non-professional performers in the area are urged to enter in this amateur talent event of the year.

Strictly for amateurs, the talent preliminaries are divided into two divisions: juniors, for those under 16, and seniors, for those over 16. There is no entry fee for the contest which is sponsored by the Fair Association but entrants must live in Santa Clara County.

Applications are available at the Fairgrounds office, 344 Tully Rd., San Jose; or call 295-3050.

Colt League All-Stars start district play-offs

The West Valley Colt League will host the District Tournament at Saratoga High School on Monday, July 19 through Saturday, July 24. Weekday games will start at 6:00 p.m. and Saturday games will start at 1:00 and 4:00.

The All-Star Colt team from the West Valley League (comprised of 15-16 year-old stars from the W.V.A.L. schools) will compete with the three finalists from the Area Tournament being played this week at Washington Park in Santa Clara.

Teams from San Jose, East San Jose, Santa Clara, Cupertino, and Santa Theresa are vying for first, second and third spots in the double elimination tourney through Sunday, July 18.

The District Tournament will be staged at the Saratoga High Baseball diamond located on Herriman Ave., just off Saratoga Ave. There will be a 50¢ charge for anyone Colt League age and under, and $1 for adults.

West Valley All-Stars will meet the No. 3 team in the opener at 6:00 on Monday, July 19. The No. 1 and No. 2 teams will meet the following evening.

Two teams from this area have become Colt League World Series Champions in the last five years. The West Valley team won in 1966, and the Santa Clara team returned champions in 1969.

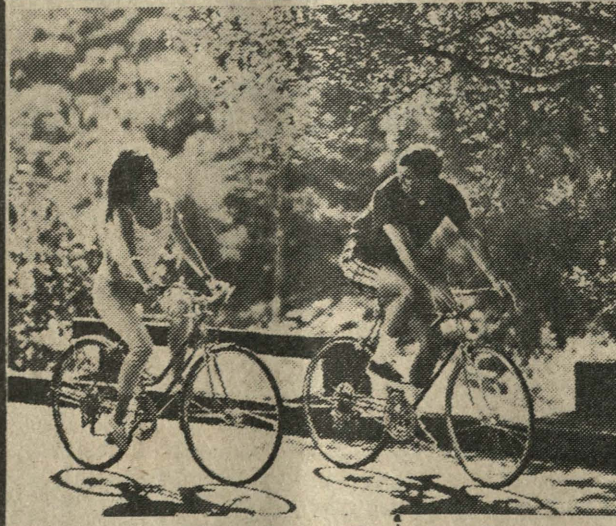
FIRST IN LINE---A new sporting goods business, which is to open in town on August 1, has the distinction of obtaining the first city business license to be issued in the new city hall. The three owners of the new "Eddie Bressoud, Inc., Sporting Goods", which will be located in the Campbell Center at 1777 Winchester Blvd., were on hand early Monday morning, when the new city hall opened for the first time, to get their business license from City Clerk Dorothy Trevethan (above).

Receiving the license is Bob Burton, a Campbell resident, who has been general manager of several major league farm clubs. Eddie Bressoud (right), now baseball coach at De Anza College played major league ball for 11 years (five with the Giants). In the back is Wally Asquith, another member of the firm. Asquith has been active in Campbell Little League and Pony League for many years.



Once You've Done It...
You'll Never Forget It!

Riding a bicycle is never forgotten once you've learned. Hundreds of thousands of health-minded adults have discovered and rediscovered the joys of cycling in the past few years. With good reason. There are many new bikes . . . new Schwinn bikes . . . especially designed for the mature rider. Some with 10-speed gears, some with handbrakes, some with 3-speed gears. Each one designed to bring back the thrill of the open road and to restore that glow of good health in your cheeks. Stop in soon, and let us fit a new Schwinn to you. Join the "in" group on a new Schwinn!

C-M Pony League all-stars open tourney play Saturday at Rincon

Campbell-Moreland Pony League's 1971 all-star team will make its debut Saturdav in the District 4 double elimination playoffs, hosted at Campbell-Moreland's Rincon Field.

The Campbell boys will face the Saratoga Ponies at 1 p.m., followed by another tournament tilt between San Jose Westside and Scott's Valley at 4 p.m. The winner will play a San Francisco team Sunday at 2 p.m.

The district winner will advance to the South Sectional playoffs which begin July 26 in Santa Clara.

The Campbell-Moreland team includes Gary Lujan, Fred Long, Gordy Bindert, Steve McGrody, Lou Valletta, Joe Nelson, Kent Ohmann, Joe Casares, Jimmy Knight, Jerry Buzzetta, John McMonigle, Pancho Mancinez, Ken Ucci, Mike Codiroli and Lank Rowland. Manager is John Bojorquez, coach is Bud Stallings, and business manager is Ray Knight.

OPTIMISTS WIN

Campbell-Moreland's championship playoffs concluded recently with the Optimists Cubs winning the double elimination tournament.

The Cubs, guided by manager Rich Barry and coach Dick Brostrom, opened the series with an 11–6 victory over the Food Fair Mets, nipped the Asquith Yankees in the second game 1–0, then edged the Fontanetti Cardinals, 3–2, in the finals. Southpaw Fred Long was the winning pitcher in the latter two games.

Asquith is Little League champion

Team champions in each division of Campbell Little League were selected last week.

In the Farm division, Shephardson Realty team won both halves of the season and was declared winners.

In the minor division, Campbell Kiwanis won the play-off with first half champion, Doetsch Building.

Asquith Construction, second half winner of the major division, defeated first half winner Moose Lodge, to become major champions.
